ABORIGINAL CULTURE

We would like to acknowledge and pay respect to the past, present and future traditional custodians and elders of this land. We'd also like to encourage students and visitors to check out the First Nations' culture, art, and history at one of the many events hosted throughout Sydney.

RESTAURANTS

Sydney is also famous for its restaurants. With such a multicultural population you'll find fabulous cuisines from all over the world.

WORK

Another great aspect of Sydney is the high number of 'in-demand' jobs. Australia has some of the highest wages in the world. International students are allowed to work up to 48 hours per fortnight so take advantage and gain new experience and skills by working in one of the many popular industries such as hospitality, construction, delivery and retail.

WHY SYDNEY?

Sydney is Australia's biggest city. With over 5 million people from countries all around the world you're sure to make new friends and have a great time. Located on the east coast, Sydney is home to the famous Opera House, Harbour Bridge, and Bondi beach. Sydney also ranks as one of the most liveable cities in the world and is well-serviced by buses and trains which will take you wherever you want to go. Take a trip to the wonderful Blue Mountains or Hunter Valley, go whale watching, tour the historic Rocks area, or simply enjoy a coffee at a café by the harbour. There's also a convenient link from Sydney airport to the heart of the city.
